

rosie² **I AM EASY TO USE!**

I will announce voice messages at the reminder times.

Once you complete the task, turn off the message by:

Pressing down firmly on Rosie,
Or
Say "reminder off" between playbacks.

That's all!

rosie² **PHRASES I UNDERSTAND!**

I can help you a little more if you want me to!
Just wake me up by pressing me down or
say "Hello Reminder Rosie".
and you can ask:

What date is it? Today's reminders Reminder off Help

Helpful hints: Please speak to me in your normal, fast conversational English, facing me at arms length. Please wait until I stop talking before you talk. You can put me to sleep by pressing me down. All the phrases I understand are on my back. Talk soon!
